

Renewable Energy Marketplace

Thursday 8 March, Westpoint, Exeter

Sponsorship and Exhibition Opportunities

Renewable Energy Marketplace is the largest exhibition of its kind in the south west with more than 1200 attendees from the region interested in installing renewable technologies.

This customer facing event will bring together renewable energy and energy efficiency companies along with attendees from a whole host of backgrounds - including farming, construction, tourism, local government and the general public. It will be the key place to exhibit, network, and ultimately do business.

Below are the details of the sponsorship opportunities for Renewable Energy Marketplace (all prices are exclusive of VAT).

Gold £5,000

High profile brand exposure, with the following benefits:

- Prominent branding alongside Regen SW on all event material, overhead presentations and delegate information
- Headline branding on the event website and marketing communications
- The opportunity to speak in a session or introduce
- 18 square metres of exhibition space
- 10 free delegate places and discounted places for attendees (£10 tickets)
- Advertising space in the exhibitor guide in the form of a pre-designed insert, (for example last year Good Energy produced a guide on the FIT and their services)
- Your company name published as a sponsor in the event and pre-show releases

Silver £2,500

Targeted sponsorship, enabling you to reach your audience effectively:

- Joint branding in the workshop area, alongside Regen SW and Gold sponsors, for the period of the workshop
- Joint branding on overhead presentations and delegate information for the chosen workshop
- Half-page advertising space in exhibitor guide
- Nine square metres of exhibition space
- Two free delegate places at the event and discounted places for attendees (£10 tickets)
- Potential opportunity to speak in the workshop
- Listed as a sponsor on the event website and in marketing communications
- Company published as a sponsor in event literature and pre-show material, such as news releases

Bronze £1,000

Enhanced exhibition space and profile raising

- Half-page advertising space in exhibitor guide
- Nine square metres of exhibition space
- Enhanced listing on the website as an exhibitor

Other sponsorship opportunities

- Lanyards and reception area £2,000
- Drinks' reception £2,000
- Breakfast briefing £2,500
- Promotional leaflet £1,000
- Exhibitor guide £2,000

As with all partnerships with Regen, we are always open to your suggestions on how we can shape the event to work best for you. To discuss the opportunities in more detail, please contact Rachel, events and membership manager rhayes@regensw.co.uk or call **01392 494 399**

Renewable Energy Marketplace

regensw
delivering sustainable energy

Thursday 8 March, Westpoint, Exeter

“ We were so busy on our stand that the first chance I had to take a break was four hours into the event. The quality of leads was exceptional – the best I have ever had at an exhibition ”

Insulated Homes

“ Well done on the event, really useful and good turnout ”

Exmoor Hill Farm, North Devon Plus
